자기소개 하기

I'm _____. I was born and raised in Busan which is a really beautiful coastal city in Korea.

[IH-AL] So, back in the days when I was a teenager, I spent a lot of time swimming and surfing.

I'm currently studying Engineering in college. [IH-AL] I'm going to graduate this year, so I've been looking for a job.

In my free time, I like listening to music, playing games, and working out.

Also, I'm a huge fan of baseball. [IH-AL] So, I sometimes invite my friends to watch a baseball game together.

As for my personality, I think I'm outgoing and outdoorsy. [IH-AL] So, enjoying outdoor activities is a great stress reliever to me.

I think I can tell you more about myself during the interview.

I think I should tell you about my best friend, Kim. We met in high school.

[IH-AL] So, it's **been** 10 years since we became friends. She's in her mid-twenties, and she's studying Engineering in college. This is her last year in college, so she **has been** really **busy** **looking** for a job.

As for her hobbies, she's **a big fan of** movies. She also loves listening to music and playing games in her free time. [IH-AL] When it comes to her personality, she's really outgoing, and a little bit laid-back. [AL] It seems like she doesn't have worries. Whenever I'm stressed (out), I talk to her. Talking with her relieves stress because she's a great listener. She always helps me to look on the bright side.

Well, I think I'm lucky to have a best friend like her.

[AL] She said she has been working out at a gym since she was in her early 20s. [AL] She started **working out** to lose weight; however, now she exercises to **stay healthy**. Whenever she **is tired of** exercising at the gym, she goes to a park for a run or goes hiking.

Besides, I've never seen her eat late-night meals. She also **gets her medical check-ups** regularly.

[IH-AL] What's more, she's really outgoing and a little bit laid-back. It seems like she doesn't

Q) In your background survey, you indicated that you like to spend your vacations at home. Who do you spend your vacation with and what do you want to do with them? Plus, who do you want to meet in the future while on vacation at home? Why is that?

To be honest, I really like to lie around at home because I'm a home body.

However, if I spend my vacation with someone, I'll spend my vacation with my best friend Ellie. We went to the same middle school and have been friends for 15 years. [AL] I think we have a lot in common, and always hit it off.

We're really into hip-hop music, so I want to go to a concert with her because I haven't been to any concerts in two years because of my hectic schedules at work. After watching a concert, I'll have dinner with her. Actually, we haven't hung out, so we have a lot of things to catch up on.

As for her personality, she's really outgoing and a little bit laid-back. It seems like she doesn't have worries. So, whenever I'm stressed, I talk to her. Talking with her relieves stress because she's a great listener. She always helps me to look on the bright side.

So, it would be really nice if I could spend my vacation at home with her.
